Hi Joel:

Tom and I would like to congratulate you on the outstanding job you did last night. With this being our first show with you, we have to say we are very impressed. We handed out much more than we anticipated we would. It was very exciting!

Also... you did a great job as M.C.! We are looking forward to the show on Oct. 22. Will the setup be similar? I think we might want to bring a little more of our equipment next time.

Take care and we will see you on the 22nd.

Suzan
