RE: Bridal Expo at the Inn at Central Valley

Dear Joel,

I sincerely "Thank You" for allowing me to showcase my Pampered Chef products at your recent Bridal Show which was held at the Inn at Central Valley.

Everything was spectacular! You were ever so gracious when announcing all the vendors who participated. Everyone was helpful & courteous.

I look forward to participating in future events at the Inn at Central Valley. Please keep me on your list for additional functions. I'd love to participate!

Again, it was a pleasure meeting and working with you.

Warmly,

Valerie Bitzer
